We Need Veterans!

American Healing Arts Foundation (AHAF) is a non-profit charity with a mission to provide

FREE Art Classes for our Veterans!

Post-traumatic stress disorder remains high for both wounded and uninjured soldiers, plus the suicide rate continues to soar.

These classes provide veterans:

- Art therapy
- Exercise the power of rehabilitation
- Self expression and creativity
- Art career opportunity
- Award-winning art instructors
- Interaction with fellow comrades

Art classes are intended to reunite veterans with their peers, away from hospitals and the battlefields in a peaceful environment.

AHAF Vision: Veterans Academy of Art
